Details of the JPO/IPR Training Course on Managing IP

1. Duration:

December 5- 14, 2016

[Application Deadline: **October 21, 2016**]

2. Objectives:

To deepen one's knowledge about intellectual property in general, as well as to learn efficient and effective methods for managing IP at universities and other institutions, by hearing lectures and holding discussions on managing intellectual property, university-industry-government collaboration, and ways for universities and research institutes to transfer technology to the private sector.

3. Target Participants (applicants must meet all of the following requirements):

- (1) Target participants should be nominated by the Intellectual Property Office in their countries.
- (2) Target participants should be engaged in the field of IPR.
- (3) Target participants should be university graduates and/or have equivalent professional experience.
- (4) Target participants should be physically and mentally prepared to undergo an intensive training course.
- (5) Target participants should not be students or armed forces personnel.
- (6) Target participants should intend to continue working in the same field after completing the training course.
- (7) Target participants should not have participated in the JPO/IPR training courses during FY 2015, in principle.
- (8) Target participants should have adequate English language competence to attend lectures and discussions, as well as make reports.
- (9) Target participants should have considerable knowledge of the IPR system, with more than three years of experience in the field of IPR.
- (10) Target participants should be between 27 and 50 years of age.
- (11) Target participants must be professionals working in one of the following positions:
 - 1) Employees at universities or research institutions involved in Intellectual Property management/utilization, such as the promotion of university-industry-government collaboration and technology transfer; OR
 - 2) Persons at Ministries/government offices in charge of developing technology, and other related organizations who are engaged in advising and supporting IP management/utilization such as promoting university-industry-government collaborations and technology transfers.
 - 3) Employees of companies who are in charge of intellectual property; OR
 - 4) Officials of IP Offices engaged in work regarding IP management/utilization such as promotion of industry-academia collaboration and technology transfer at universities and research institutes.

* However, if applicants do not meet any requirements, any justifiable reason will be taken into consideration.

4. Language:

Lectures, study visits and discussions will be carried out in English or in Japanese with interpreting into English. Course documents and training materials will be prepared in English.

5. Training Schedule: TBD
