

Annex 10

JPO/IPR Training Course on Academia-Industry Collaboration and Technology Transfer

1. Duration:

December 10- 19, 2018

[Application Deadline: **October 5, 2018**]

2. Objective:

To deepen one's knowledge about intellectual property in general, as well as to learn efficient and effective methods for managing IP at universities and other institutions, by hearing lectures and holding discussions on managing intellectual property, university-industry-government collaboration, and ways for universities and research institutes to transfer technology to the private sector.

3-1. Principal Requirements:

Target participants will be professionals working in one of the following positions:

- 1) Employees at universities or research institutions involved in intellectual property management/utilization, such as the promotion of university-industry-government collaboration and technology transfer; OR
- 2) Persons at ministries/government offices in charge of developing technology, and other related organizations who are engaged in advising and supporting IP management/utilization such as promoting university-industry-government collaborations and technology transfers.
- 3) Employees of companies who are in charge of intellectual property; OR
- 4) Officials of IP Offices engaged in work regarding IP management/utilization such as promotion of industry-academia collaboration and technology transfer at universities and research institutes.

***Persons working at Japanese enterprises are eligible for this program.**

3-2. Other Requirements (applicants must meet all of the following requirements):

Target participants will:

- (1) be nominated by the IP Office in their countries.
- (2) be engaged in the field of IPR.
- (3) be university graduates and/or have equivalent professional experience.
- (4) be physically and mentally prepared to undergo an intensive training course.
- (5) not be full-time students or armed forces personnel.
- (6) continue working in the same field after completing the training course.
- (7) not have participated in any of the JPO/IPR training courses during FY 2017 - 2018, in principle.
- (8) have adequate English language ability to attend lectures and discussions, as well as make reports.

* If English ability is considered to be insufficient, an interview will be conducted by telephone to confirm English proficiency.

(9) have considerable knowledge of the IPR system, with more than three years of experience in the field of IPR, in principle.

(10) be under 50 years of age

* However, if candidates who do not meet the requirements abovementioned 3-1 and 3-2 are nominated, the screening committee will consider them only when the priority list with special reasons and/or a letter stating the reasons of recommendation are submitted with the application documents.

4. Language:

Lectures, visits and discussions will be carried out in English or in Japanese with interpreting into English. The course documents and training materials will be prepared in English.

5. Training Schedule: TBD
